

[ITME 2016] Acceptance Notification

Dear Authors,

Thank you for your submission to ITME 2016, which will be held in Fuzhou during December 23-25, 2016. We are pleased to inform you that your paper:

ID: **12280**

TITLE: **Research on the Application System of Smart Campus in the Context of Smart City**

has been accepted for publication in the proceedings of 2016 8th International Conference on IT in Medicine and Education (ITME 2016). Congratulations! This year, we received more than 350 submissions; only very outstanding paper can be accepted by the conference. Please revise your paper in detail according to the review results. All accepted papers will be published in the conference proceeding by IEEE Computer Society, and it will be submitted to IEEE Xplore and EI Compendex.

Here are some important issues on registration and final papers submission:

(1) At least one author of each accepted paper should register before Nov. 5, 2016. Please visit: <http://www.itme.org.cn/registration.asp>

(2) Please improve your paper according to the review results, the review information is (The paper proposes the Research on the Application System of Smart Campus in the Context of Smart City. The topic is interesting and has a practical value. But there are some shortcomings in this paper. (1) It's better to give the simulated experimental results, compare the results with other methods and extend the analysis about the results. (2) Please double check the English expression carefully, especially in the abstract.). Note that your paper must be formatted according to the IEEE template files which can be downloaded from: <http://www.itme.org.cn/instruct8.5x11x2.doc>

(3) The following is a URL link to the Author's Final Paper Formatting and Submission Instructions webpage (Online Author Kit) for ITME 2016, Please submit your final paper and copyright to the Web page before Nov. 5, 2016, the final paper must check PDF eXpress.
